

“Polish Day” at the UEC, Tokyo

Draft Program: May 9th (Friday), Start: 9:20 AM at the UEC

9:20-9:30 **Signing Ceremony** (between Poznan University of Technology [PUT] and University of Electro-Communications [UEC]) (East Bldg. 3rd floor, Room 317)

9:30–11:15 **Opening Ceremony (East Bldg. 3rd floor, Room 306)** **Moderator: Kazuto Masamoto (UEC)**

- 9:30 Welcome Speech by Prof. Shunichi Tano, President of UEC
- 9:40 Welcome Speech by Prof. Teofil Jesionowski, Ph.D., D.Sc., Rector of PUT
- 9:50 Greetings from IEICE President, Prof. Naoaki Yamanaka
- 10:05 Greetings from Ms. Justyna Roguska, Deputy Director of the Polish Cultural Institute in Tokyo
- 10:15 Video Messages from Mr. Richard Kelner, Delegation of the European Union to Japan
- 10:25 Keynote Lecture: "The European Universities Initiative Explained: Spotlight on EUNICE"
 - Speakers: Prof. Mariusz Glabowski, Vice-Rector for International Relations, and Magdalena Sikorska, Secretary General of EUNICE AISBL
- 11:10 Discussion & Photo

11:30–13:30 **Discovering Polish Traditions (Community Square)** **Moderator: Choo Cheow Keong (UEC)**

- Presentation of Polish folk dances, songs, and traditional costumes by the Poligrodzianie Ensemble
- Ensemble members: Katarzyna Aleksion, Maciej Malek, Bartosz Marzec, Helena Ćwiek, Julia Gabrusewicz, Larysa Georgiew, Oliwia Bisińska, Nicole Bocheńska, Oleksandra Shershun, Jan Galasiński, Julia Kujawska, Wojciech Wojtkowiak, Bartosz Mazur, ?? (14 members)
- Waiting Room for Performers: East 36 Observatory (8:30-18:00) Video presentation in case of rain.

13:00–14:15 **Presentations from PUT (East Bldg. 3rd floor, Room 301)**

Moderators: Ryo Anzai (UEC) and Hiroki Furukawa (UEC)

- International Cooperation Opportunities (30 min)
 - Magdalena Zawirska-Wolniewicz (Head of International Relations Office): "Student and staff exchange opportunities under Erasmus+ Programme"
 - Olha Vakhrina (International Relations Office): "PUT educational offer and support for international students"
 - Jolanta Sokołowska (Research and Project Office): "Exchange Opportunities for Academic Exchange - NAWA Programs"
- Academic Collaboration in Research and Education (30 min)
 - Anna Kobusińska (Head of the Division of Computing Systems): "Academic Collaboration in Research and Education"
 - Michał Weissenberg (Leader of the Artificial Intelligence and Cybersecurity Center): "Distance Learning in Technical Education: Infrastructure, Innovation, and International Collaboration"
- Discovering Polish Folk Culture (15 min)
 - Katarzyna Aleksion (Head of the University Culture Centre)

14:30–18:10 International Scientific Exchange Seminar (East Bldg. 3rd floor, Room 301)

14:30 Session I: Informatics and Computer Engineering Facilitator: Akihiro Kashiara (UEC)

- Hiroaki Aruga and Akihiro Kashiara (Dept. of Informatics, UEC) “Use of Telepresence Robot for Hybrid Discussion”
- Robert Wrembel (Head of the Division of Data Processing Technologies, PUT): “Big data engineering R&D projects at Poznan University of Technology: recent past and promising future”

15:10 Session II: Biomedical Engineering Facilitator: Masumi Taki (UEC)

- Masumi Taki (Chemistry and Biotechnology program, UEC) “In-House Technology for Reducing/Eliminating Drug Use via International/Interdisciplinary Networking”
- Michał Rychlik (Director of the Institute of Applied Mechanics, PUT): “Biomedical Engineering Excellence Cluster of Poznań University of Technology - research and didactic potential”

15:50 Session III: Sustainable Society Facilitator: Yasuhiro Iwasawa (UEC)

- Yasuhiro Iwasawa (Innovation Research Center for Fuel Cells and Hydrogen, UEC): “TBA”
- Filip Sz wajca (Assistant Professor of the Division of Propulsion, PUT): “Hydrogen as a Key to Clean Internal Combustion Engines: Experimental Study on a Single-Cylinder Test Engine”

16:30 Break (10 min)

16:40 Session IV: Space Innovation Facilitator: Keisuke Hosokawa (UEC)

- Yasuhide Hobara (Center for Space Science and Radio Engineering, UEC): “Multi-Point Simultaneous Prediction Model for Space Weather”
- Julia Gościańska-Łowińska (Director of the Kąkolewo Campus): “Kąkolewo Campus: Shaping the Future of Space Exploration with AI, Autonomy and Robotics”
- Dariusz Janiszewski (Assistant Professor of the Division of Control and Industrial Electronics): “The Art of Control That Defies Gravity: From Inverted Pendulum to Satellite”
- Krzysztof Walas (Assistant Professor of the Division of Robotics): “Robotics and Machine Learning for Space Innovation”

18:15–18:30 Closing Ceremony (East Bldg. 3rd floor, Room 301)

- Prof. Mariusz Glabowski (PUT)
- Dr. Kazuaki Oya (UEC)
